

Wilson, Shannon & Snow

Description:

Wilson, Shannon & Snow has built a solid reputation as business advisors and certified public accountants. We measure our success in the success and satisfaction of our clients and we are proud of the longstanding business relationships we have with many individuals and organizations.

For 50 years - since 1954 - our firm has provided top notch business advice and counsel to companies from our Newark, Ohio office. Since our firm began, we have earned a reputation as being a quality organization - not only because we offer timely, personalized service, but most importantly, because of the integrity of our people.
